Human Services Campus

Uniting community resources to help restore your life.

417-553-4691, 5708 N. School, Joplin, MO 64801
(Just South of Joplin Airport off of Hwy 171)

Mission Statement:

To provide collaborative, integrated human services to facilitate long-term recovery and reintegration among residents displaced by the Joplin area tornado

About HSC ...

The Human Services Campus was established by community leaders and collaborating agencies, to assist all survivors affected by the May 22nd, 2011 Storm.

The Local Community Agencies came together and constructed this idea to offer an array of their services under one roof to promote the Whole Community concept of recovery for their fellow neighbors.
